

Article Overview

You can source compatible 1G SFP and QSFP optical modules in Botswana from suppliers like Ubuy Botswana, Unoptix, and Optcore, offering a range of modules compatible with Cisco, Arista, HPE, and other major brands.

Key Suppliers and Options

1. Ubuy Botswana Ubuy offers 1000BASE-LX/LH SFP optical transceiver modules compatible with Cisco GLC-LH-SMD, GLC-LH-SM, and SFP-GE-L devices. These modules operate at 1310nm, support distances up to 20km, and feature DDM/DOM monitoring for real-time performance tracking. They are available in 10-pack bundles, making them suitable for enterprise or data center deployments in Botswana . 2. Unoptix Unoptix specializes in compatible SFP, SFP+, XFP, QSFP+, SFP28, QSFP28, CFP, CFP2, and CFP4 transceivers. Their products are designed for seamless integration with both major and emerging network equipment brands. They provide a 5-year warranty, cost-effective pricing, and tailored support for network optimization. Unoptix is a reliable option for sourcing 1G QSFP modules and other optical transceivers in Botswana . 3. Optcore Optcore offers a broad range of 1000BASE SFP transceivers suitable for 1G Ethernet and fiber channel applications. Their modules comply with SFP MSA, SFF-8472, CE, FCC, and RoHS standards, and include DOM/DDM functionality. Optcore provides variants such as 1000BASE-T, 1000BASE-SX, 1000BASE-LX/LH, 1000BASE-EX, and 1000BASE-ZX, covering distances from 100m to 180km, ensuring compatibility with Cisco, Arista, HPE, and other network devices .

Considerations When Purchasing

- o Compatibility: Ensure the module matches your switch or router model (Cisco, Arista, HPE, etc.).
- o Distance and Fiber Type: Choose single-mode (SMF) or multimode (MMF) based on your network requirements.
- o Monitoring Features: Modules with DOM/DDM allow real-time monitoring of temperature, voltage, and optical power.
- o Warranty and Support: Suppliers like Unoptix provide 5-year warranties and dedicated support for seamless integration.
- o Bulk Orders: For enterprise deployments, consider purchasing in packs (e.g., 10-pack) to reduce cost per unit. By sourcing from these suppliers, you can obtain high-quality, compatible 1G QSFP and SFP optical modules in Botswana with reliable support and warranty coverage, ensuring smooth operation of your network infrastructure.

Botswana Supplier of Compatible 1GQSFP Optical Modules

FS provides 50/25/10/1G transceivers modules in SFP/SFP28/SFP56/QSFP28 form factor, supporting
