

Article Overview

Brilltech Engineers Pvt. Ltd. and Sivli Sdn Bhd are among the leading civil cable tray manufacturers and suppliers in Brunei.

Brilltech Engineers Pvt. Ltd.

Brilltech Engineers Pvt. Ltd. is a well-established manufacturer and supplier of cable trays, including mild steel cable trays, in Brunei. The company operates a modern manufacturing facility capable of producing both standard and customized cable tray solutions to meet industry requirements and customer specifications . Founded in 2007 under Mr. Nitin Pratap Singh, Brilltech has ISO-certified products and serves clients across various sectors, including automotive and construction . Their offerings include a comprehensive range of cable trays designed for civil, industrial, and electrical installations, ensuring compliance with international quality standards .

Sivli Sdn Bhd

Sivli Sdn Bhd, formerly Syarikat Lleveira, has been active in Brunei since 1993 and specializes in mechanical and electrical engineering, civil, and structural works, including cable tray installation and related civil services . The company has completed over 100 projects in Brunei, demonstrating expertise in both design and installation of cable management systems. Sivli Sdn Bhd also provides tailored solutions for industrial fire protection and telecommunication infrastructure, making it a versatile choice for large-scale civil and electrical projects .

Additional Considerations

For official recognition, the Department of Electrical Services (DES) in Brunei maintains a list of approved manufacturers and products for mechanical and electrical installations . Manufacturers not listed by DES may not be accepted for use in local projects, so it is advisable to verify the registration status of any supplier before procurement.
