

Article Overview

China hosts numerous cable tray manufacturers offering direct sales to Europe, providing ladder, perforated, wire mesh, and solid bottom cable trays with customization and OEM/ODM services.

Leading Manufacturers

Shandong Tianhong Electric Power Technology Co., Ltd. is a prominent manufacturer specializing in cable tray systems, including perforated trays, cable ladders, trunking, strut channels, and fittings. They offer OEM & ODM services, automated production lines for consistent quality, and fast delivery suitable for European projects in power plants, data centers, and commercial buildings . APEXTRAY produces solid bottom, ladder, and perforated cable trays, with customization options for specific project requirements. They use high-quality materials such as galvanized steel, stainless steel, and aluminum, ensuring durability and compliance with industrial standards. Lead times typically range from 10-30 days depending on order size and specifications .

Product Types and Materials

- o Ladder Cable Trays: Maximum ventilation, ideal for heavy-duty power distribution in industrial environments .
- o Perforated Cable Trays: Solid bottom with holes for ventilation and cable protection, suitable for commercial and light industrial applications .
- o Wire Mesh (Basket) Trays: Lightweight, flexible, and easy to install in complex routes, commonly used in data centers .
- o Solid Bottom (Trough) Trays: Continuous bottom for maximum protection against dust, moisture, and EMI, ideal for sensitive cables .
- o Materials: Galvanized steel, aluminum, stainless steel, and FRP, with surface treatments like powder coating or hot-dip galvanization for corrosion resistance .

Direct Sales and Customization

Many Chinese manufacturers provide factory-direct pricing, allowing European buyers to reduce costs while accessing high-quality products. OEM/ODM services enable customization of tray dimensions, materials, and finishes to meet project-specific requirements . Suppliers often provide technical consultation, installation support, and compliance with international standards.

Sourcing Platforms

- o Alibaba: Connects global buyers with verified Chinese cable tray factories for direct sourcing .

o Made-in-China: Offers a wide selection of cable trays with options for bulk orders, OEM customization, and competitive pricing .

o Accio Supplier Directory: Lists top Chinese cable tray manufacturers with detailed product specifications and export capabilities . European buyers can leverage these manufacturers and platforms to source high-quality, durable, and customizable cable tray systems directly from China, ensuring efficient logistics, competitive pricing, and compliance with project requirements.
