

Article Overview

Key manufacturers of commercial distribution boxes in Guinea include Topaz Multi-Industries SA, AGS Guinea, Mario Paradis Guinee, ADEMCO Inc, and Societe Guineenne des Emballage.

Leading Manufacturers

Topaz Multi-Industries SA is a major multi-industry company based in Conakry, Guinea, with extensive manufacturing capabilities in plastics, PVC pipes, and household items. While primarily known for plastic products, the company has a mould manufacturing workshop and production facilities that could support commercial packaging solutions . AGS Guinea, Mario Paradis Guinee, and ADEMCO Inc are the top paper and box suppliers in Guinea, collectively accounting for 100% of the country's paper box exports. Each company contributes approximately 33% of Guinea's total shipments, indicating their active role in both domestic and international distribution of commercial boxes . Societe Guineenne des Emballage is another established company in Conakry specializing in packaging solutions. While detailed production data is limited, the company is recognized in business directories for its role in the packaging and distribution sector .

Distribution and Market Access

Guinea's commercial distribution network includes local marketing companies such as Indigo, Monarch Conakry, Attractive.com, and Equom Marketing, which can assist in connecting manufacturers with buyers. International delivery services like DHL, UPS, and FedEx operate in Guinea, facilitating export and distribution of commercial boxes .

Summary

For sourcing commercial distribution boxes in Guinea, Topaz Multi-Industries SA offers plastic-based solutions, while AGS Guinea, Mario Paradis Guinee, ADEMCO Inc, and Societe Guineenne des Emballage provide paper and cardboard options. These companies are well-positioned to supply both local and international markets, supported by Guinea's growing logistics and distribution infrastructure .
