

How much does a long-span cable tray cost in Qatar

Article Overview

The cost of long-span cable trays in Qatar typically ranges from QAR 150 to QAR 600 per meter, depending on material, duty rating, and size.

Factors Affecting Price

- o Material: Cable trays are available in pre-galvanized steel, hot-dip galvanized steel, stainless steel, and aluminum. Stainless steel and aluminum are more expensive due to corrosion resistance and durability .
- o Duty Rating:
 - o Light Duty (LCT - 100): 1.0 mm thickness, suitable for small cable loads.
 - o Medium Duty (MCT - 120): 1.2 mm thickness, for moderate loads.
 - o Heavy Duty (HCT - 150): 1.5 mm thickness, for high cable loads.
 - o Very Heavy Duty (VCT - 200): 2.0 mm thickness, for industrial or long-span applications . Higher duty ratings increase cost.
- o Dimensions: Widths range from 50 mm to 1000 mm, and lengths are typically 2.44 m or 3 m. Wider and longer trays cost more .
- o Design: Perforated trays allow better ventilation but may be slightly more expensive than solid trays. Cable ladders are preferred for very long spans or heavy cabling .
- o Accessories and Installation: Fittings, clamps, cantilever arms, and installation complexity can add to the total cost .

Typical Price Range

- o Light to Medium Duty Steel Trays: QAR 150-300 per meter
- o Heavy Duty Steel Trays: QAR 300-450 per meter
- o Very Heavy Duty or Stainless Steel/Aluminum Trays: QAR 450-600 per meter

Suppliers in Qatar

- o Triple M Qatar: Offers a range of steel and aluminum trays with various duty ratings .
- o Electra Qatar: Provides competitive pricing for standard cable trays and accessories .
- o Qatar Technical: Supplies cable trays, ladders, and trunking with adaptable fittings for long-span installations .
- o Adastral WLL: Specializes in 3-meter metal cable tray systems suitable for industrial applications . For precise pricing, it is recommended to contact suppliers directly with your specifications, including material, width, length, and load requirements, as prices can vary based on quantity, customization, and delivery.
