

Article Overview

Malaysia offers a wide range of power distribution boxes with various sizes and specifications, available from multiple verified manufacturers and suppliers.

Manufacturers and Suppliers

Several Malaysian companies specialize in distribution boxes for residential, commercial, and industrial applications:

- o WFPO Series: Indoor wall-mount fiber and power distribution boxes, IP66 rated, suitable for high current loads and harsh conditions .
- o INDKOM Engineering: Offers ILV Distribution Boards for 415V 3-phase 4-wire 50Hz systems, factory-assembled with multiple outgoing circuits .
- o Sound Avenue Sdn Bhd: Custom and OEM portable power distribution boxes for events and entertainment industries .
- o Yong Huat Electrical Enterprise Sdn Bhd: Provides PVC MCB boxes in 6-way to 23-way configurations, suitable for consumer and construction applications .
- o Alibaba Malaysia Suppliers: Offers residual current and surface-type distribution boxes with durable construction for various applications .

Box Sizes and Specifications

Distribution boxes in Malaysia come in metal or PVC construction, with standard features including:

- o Sheet steel thickness: 1.0-2.0 mm for body and mounting plates .
- o Voltage ratings: AC 220V/240V for residential, 415V for industrial 3-phase systems .
- o Port capacities: Fiber optical boxes available in 1U (up to 24 ports) and 2U (up to 48 ports) sizes .
- o MCB configurations: 6-way, 8-way, 10-way, 12-way, 14-way, 17-way, and 23-way options .
- o Finish: Powder-coated epoxy polyester for corrosion resistance and durability .

Price Quotes

Pricing varies depending on size, material, customization, and quantity:

- o PVC consumer MCB boxes: Typically lower cost, suitable for residential use .
- o Metal industrial boxes: Higher cost due to thicker steel, powder coating, and higher current ratings .
- o Custom OEM boxes: Price depends on design, number of circuits, and additional features like portability or

fiber integration . For accurate price quotes, it is recommended to contact suppliers directly via phone, email, or online inquiry forms. For example, Yong Huat Electrical Enterprise Sdn Bhd provides direct contact via call, SMS, or WhatsApp for quotations . Similarly, Sound Avenue Sdn Bhd offers custom design quotes for portable distribution boxes .

Summary

Malaysia provides a diverse selection of power distribution boxes, ranging from small residential PVC MCB boxes to large industrial metal cabinets. Buyers can choose based on size, material, voltage rating, and customization needs, and obtain price quotes directly from verified local manufacturers and suppliers .
