

Article Overview

Fiberglass cable trays in Malta typically range from EUR50 to EUR200 per meter, depending on type, size, and load capacity.

Price Overview

Fiberglass cable trays, especially ladder-type trays, are commonly used for electrical installations due to their corrosion resistance, lightweight, and high strength. In Malta, prices vary based on:

- o Tray type: Ladder, perforated, or solid-bottom trays
- o Dimensions: Width, height, and length of each section
- o Load rating: Maximum weight the tray can support
- o Supplier and quantity: Bulk orders may reduce per-meter cost Typical market prices for ladder-type fiberglass cable trays in Malta range from EUR50 to EUR200 per meter, with smaller or lighter-duty trays at the lower end and heavy-duty, wide trays at the higher end .

Suppliers in Malta

- o FBP Malta offers a variety of cable trays and mesh trays suitable for industrial and commercial installations .
- o Europages Malta lists 17 suppliers for ladder-type fiberglass cable trays, allowing direct contact with wholesalers for quotes and bulk pricing .
- o Local distributors like BigMat Malta and G&E Electronics provide cable management solutions, though specific fiberglass tray prices may require direct inquiry .

Tips for Purchasing

- o Request quotes from multiple suppliers to compare prices and delivery options.
- o Check specifications such as load capacity, fire resistance, and UV stability to ensure compliance with local electrical standards.
- o Consider installation costs, as fiberglass trays may require specialized supports or fittings. By contacting suppliers directly, you can obtain accurate, up-to-date pricing and confirm availability for your specific project requirements .
