

Price quote for electrical distribution boxes near Costa Rica

Article Overview

Electrical distribution boxes are available from multiple suppliers in Costa Rica, with prices varying by size, material, and brand.

Suppliers and Options

- o **IMS Mayorista Electrico** IMS offers a wide range of electrical materials, including distribution boxes from top brands like Eaton, Schneider Electric, Siemens, and Chint. They cater to residential, commercial, and industrial projects and provide wholesale pricing. You can contact them for a specific price quote and product availability through their website or by visiting their stores in Costa Rica .

- o **IESA Materiales Electricos** IESA provides electrical distribution boxes and related products, with options for pickup in Guachipelin or delivery within the Greater Metropolitan Area (GAM). They accept payments via credit/debit card or bank transfer, and their advisors can help select the appropriate box for your project .

- o **Buy From Costa Rica - Lightweight Junction Boxes** This supplier offers light metal junction boxes suitable for low-budget installations. They are made of 16-20 gauge steel, with a RAL7042 grey powder coating, and come in various sizes for wall-mounted or embedded installations. These boxes include knockouts for conduit tubing from 1/2 " to 1 1/2 " .

- o **Volza Supplier Directory** Volza lists 86 verified junction box suppliers in Costa Rica, including manufacturers and exporters. Their database provides direct contact information for decision-makers, shipment history, and trade data. While access to detailed pricing requires a subscription, this platform is useful for bulk procurement or sourcing multiple suppliers .

How to Obtain a Price Quote

- o **Contact suppliers directly** via phone, email, or their online stores. IMS and IESA provide customer support to guide you in selecting the right box and obtaining a quote.

- o **Specify your requirements:** size, material (metal or plastic), indoor/outdoor use, and brand preference.

- o **Request delivery options** if you are outside the supplier's immediate area. By reaching out to these suppliers, you can get accurate, up-to-date pricing tailored to your project needs. For smaller or budget installations, lightweight steel junction boxes from Buy From Costa Rica may be the most cost-effective option, while IMS and IESA offer premium brands for industrial or large-scale projects.
