

Price quote from Finnish mesh cable tray manufacturer

Article Overview

Mesh cable tray prices in Finland vary by size, material, and supplier, with quotes typically available directly from manufacturers or distributors.

Suppliers and Manufacturers

- o Onninen - Offers a wide range of mesh cable trays, but pricing requires creating an account or logging in to access quotes .
- o Meka - A Finnish manufacturer providing cable ladders, cable trays, and wire mesh trays. They emphasize quality, durability, and long life-cycles, and can provide tailored solutions for construction projects .
- o Wurth ElektroShop - Offers mesh cable trays online, but registration is required to view prices and make purchases .
- o Jeetmull Jaichandlall (P) Ltd. - Recognized as a top 10 wire mesh cable tray manufacturer in Finland, offering customizable sizes, shapes, and colors. They provide high-quality products suitable for various industrial applications and can supply global orders .

Market Overview

The Finland wire mesh cable tray market was valued at 1.29 million USD in 2024 and is projected to grow at a CAGR of 3.49%, reaching 1.70 billion USD by 2032 . The market is dominated by direct sales, and trays sized 101 mm to 300 mm are expected to see the fastest growth. This indicates a stable and expanding market, which may influence pricing and availability.

How to Obtain a Price Quote

- o Direct Contact: Reach out to manufacturers like Meka or Jeetmull Jaichandlall for customized quotes based on tray dimensions, material, and quantity.
- o Online Registration: Suppliers like Onninen and Wurth require account registration to access pricing and place orders.
- o Market Consultation: For large-scale projects, consulting market research firms or distributors can provide guidance on competitive pricing and bulk discounts.

Key Considerations

- o Material and Finish: Stainless steel or coated trays may cost more but offer higher durability.
- o Size and Load Capacity: Larger trays or those designed for heavy loads will increase the price.
- o Customization: Custom shapes, colors, or perforation patterns may affect cost.
- o Delivery and Installation: Factor in shipping and installation services when requesting a quote. For the most
