

Article Overview

Electrical cable trays in Samoa are available from local and international suppliers, with prices varying by type, size, and material.

Suppliers in Samoa

Brilltech Engineers Pvt. Ltd. is a leading manufacturer and supplier of electrical cable trays in Samoa. They offer both standard and customized cable trays to meet industrial and commercial requirements, ensuring compliance with international quality standards. Customers can contact them directly for specific pricing and bulk order inquiries .

Common Types of Cable Trays and Pricing Considerations

Cable trays are categorized based on design and application, which affects pricing:

- o Ladder Type: Constructed with two parallel side rails connected by rungs, ideal for heavy-duty installations. Standard lengths are typically 2.4 meters. Pricing is often calculated per tray and per fitting .
- o Solid Bottom Trays: Fully enclosed base for maximum protection against dust, water, and oil. Suitable for harsh environments like chemical plants or outdoor installations .
- o Perforated Trays: Base with evenly spaced holes, balancing protection and ventilation. Common in commercial buildings and HVAC systems .
- o Channel Trays: Narrow U-shaped trays for small bundles of control or instrumentation cables, ideal for tight spaces and retrofit projects .

Example Pricing Structure

While Samoa-specific prices are not publicly listed, international suppliers provide indicative pricing:

- o Coupler Plates with Hardware for 25/50 mm height trays: approximately 16 per piece
- o Coupler Plates for 75/100 mm trays: approximately 30 per piece
- o Prices are generally ex-stock, with GST or local taxes applied separately, and minimum order quantities may apply .

How to Obtain Exact Prices

To get an accurate price list for Samoa:

- o Contact Brilltech Engineers Pvt. Ltd. directly via phone or email for quotations .
