

Article Overview

Professional cable trays in Samoa are available from local and international suppliers, with prices typically ranging from approximately \$50 to \$150 USD per unit depending on size, material, and type.

Local Suppliers

Brilltech Engineers Pvt. Ltd. is a leading manufacturer and supplier of electrical cable trays in Samoa. They offer both standard and customized cable trays to meet industry requirements, ensuring ISO-certified quality. Prices are competitive and tailored to the specifications of the project, so contacting the company directly is recommended for a precise quote .

International Options

Desertcart Samoa provides professional-grade cable trays such as the Kable Kontrol Cable Tray, which is 5 feet long, 6 inches wide, and 2 inches deep, made from zinc-plated steel with a chrome finish. These trays are NEC-approved, corrosion-resistant, and suitable for network, fiber optic, and AV installations. The total price includes product cost, international shipping, import duties, customs clearance, and local delivery, typically ranging around \$100-\$150 USD per tray depending on order size and destination .

Price Considerations

- o Material and Finish: Hot-dip galvanized or zinc-plated steel trays are more durable and slightly higher in cost .
- o Size and Type: Ladder-type, wire mesh, or solid-bottom trays vary in price; standard lengths are usually 2.4 meters or 5 feet .
- o Fittings and Accessories: Elbows, tees, and connectors are priced per piece and can add to the total cost .
- o Shipping and Import Fees: International orders include shipping, customs, and local delivery, which can significantly affect the final price .

Recommendations

For bulk or project-based purchases, it is advisable to request a detailed quotation from Brilltech Engineers or other local suppliers to compare with international options. This ensures cost-effectiveness while meeting professional standards and compliance requirements. By considering material, size, and supplier, you can select a cable tray solution in Samoa that balances quality, durability, and price for your electrical installation needs .
