

Sky Children of the Light Windwalker's Teleport Point

Article Overview

The Windwalker's Teleport Point is accessed through the Wind Paths in Hidden Forest, via the cloud tunnels unlocked by completing the Flight Guide's quests.

Accessing the Wind Paths

The Wind Paths is a seasonal area in Hidden Forest, introduced during the Season of Flight. To reach it, go up and to the right of the Forest Gateway, where a pathway in the clouds leads to the area. A Spirit Gate blocks the entrance initially, which requires you to have relived one Regular Spirit from the Vault to pass through .

Unlocking Teleportation

Once inside the Wind Paths, teleportation to other areas is facilitated through cloud tunnels. Initially, only the floating islands are accessible. Completing the Flight Guide's quest unlocks the three sections of the cloud tunnel, giving direct access to multiple realms including Cave of Prophecies, Sanctuary Islands, Forest Cavern, Hermit Valley, Forgotten Ark, and Starlight Desert. An additional tunnel behind the main island leads to Aviary Village after completing the ninth seasonal quest from the Season of Revival .

Using the Teleport Point

To teleport effectively:

- o Interact with the Flight Guide or the Spirit Gate to activate the teleport icon.
- o Once the cloud tunnels are unlocked, approach the tunnel entrances to be pulled into the corresponding area automatically.
- o Strong winds in certain tunnels may require precise entry, such as the tunnel under the farthest right side of the main island to reach specific collectibles like Forest WL 20 .

Tips

- o Ensure you have completed prerequisite quests or relived required spirits; otherwise, the teleport points may not function.
- o If teleportation seems bugged, restarting the game can resolve issues .
- o After Eden is completed, all spirits and teleport points become fully visible, allowing easier navigation for missed collectibles . By following these steps, you can efficiently reach the Windwalker's Teleport Point and navigate the Wind Paths to access all seasonal spirits and collectibles.
