## Preview

Atkore's US Tray was established in 2012, as an American manufacturer of made-to-order cable trays that are built per NEMA standards and certified by UL. Made from galvanized steel, carbon steel, and PVC materials. Features vary depending upon model, including weather, chemical, and flame resistance. We offer modern, innovative, and technically advanced cable trays, tray covers and wire management accessories, support, and logistics management. Therefore, we've analyzed the market to identify the premier Cable Tray Manufacturers whose innovation translates directly into faster installation times and superior lifetime ROI. They provide reliability, ease of installation, and cost savings both initially and. Heavy duty cable trays and cable ladders are manufactured from pre-galvanized, electro-galvanized, or hot-dipped galvanized sheet metal, designed to meet ideal environmental working conditions for indoor and outdoor use in commercial or industrial environments with high cable density.
