

Where can I find cable trays in Kuwait

Article Overview

You can find cable trays in Kuwait through local manufacturers and suppliers such as Bahman Group, Almeer Industries, EBOMAC, and Al Wadaani.

Key Suppliers and Manufacturers

1. Bahman Group - Located in the Shuwaikh Industrial area, Bahman Group operates one of the largest cable tray manufacturing facilities in Kuwait. They produce GI raceways, cable trays, cable trunking, and cable ladders for local projects, infrastructure, and GCC markets. Their products are approved for use in Ministry projects, hospitals, and Kuwait University construction projects . Website: bahman.com.kw
2. Almeer Industries - Specializes in the design and manufacture of high-quality cable trays for commercial and industrial construction. They provide solutions for power distribution and communication cables, offering flexibility for future wiring changes . Website: almeerindustries.com
3. EBOMAC - Established in 1978, EBOMAC provides design, manufacturing, and supply of medium and low voltage switchgear as well as cable trays. They focus on quality, technical excellence, and local support, making them a reliable choice for industrial and infrastructure projects . Website: ebomac.com
4. Al Wadaani General Trading - Offers a wide range of electrical and mechanical items, including cable trays, cable support systems, conduit pipes, and accessories. They cater to MEP contractors, maintenance teams, and oil & gas projects . Website: alwadaani.com

Additional Considerations

- o Product Types: Ventilated, solid, and ladder-type cable trays are available depending on project requirements .
- o Accessories: Most suppliers provide fittings, supports, and enclosures to complete the cable management system.
- o Project Support: Some manufacturers, like Bahman and EBOMAC, offer installation guidance and project-specific solutions.

For purchasing, it is recommended to contact these suppliers directly to confirm availability, specifications, and delivery options for your specific project needs.
